MEMORANDUM FOR : Dr. Sherman Kent
Assistant Director for National Estimates

SUBJECT : Review of Development Projects Division's Portion of
"CIA--The Inside Story" by Andrew Tully

1. In accordance with your telephone request made to me earlier this week, there is attached an analysis of Chapter 9 of the Tully book from the standpoint of factual statements made, as well as our appraisal of how much of what Tully said was already in the public domain.

2. I have attached an extra copy of this study, although without the basic attachments, so that you might make it available to Mr. Dulles in the manner your suggested. I will leave it to you which copy he gets. Let me know if you need anything additional on this subject.
